A. Re-submission of Non-Compliant Amendment

The Amendments to Claims section included in the Response & Amendment mailed May 27, 2004, was deemed non-compliant for failing to indicate a complete listing of all claims and respective status identifiers. The non-compliant amendment was deemed to be a *bona fide* attempt to be a reply under 37 CFR 1.135(c). The Amendments to Claims section is being resubmitted in its entirety, as required by the Notice. The section is a complete listing of all claims that are or were in the present application, and each claim has been provided with a proper status identifier.

The status of all claims has been clearly identified in this re-submission. Applicants respectfully submit that the amendment complies with all of the provisions of 37 CFR 1.121.
